

Warriors

The Strike

Here we wait for, our time
Take the stronghold, and we stare
Into the eyes of, our foe
Let him see your fire
Hold steady, move on
Get ready, and be strong
Get your sights up, aim high
Let him see your fire

Pray for me daughter, bring me that strength from above
Take good care of your brother and I'll be home before too long

We got the say
We got the fire
We got the love
We got desire
We're gonna fight
Until the break of morning light
'Cause we are warriors, warriors, tonight

Hit it!

We are the West Front, all day
We are the barricade, all night
We are the battlefield, 'til sunrise
And it rained down fire
Still the memories, live on
And we remember, their song
Of the enemy, that day
When it rained down fire

Pray for me daughter, bring me that strength from above
Take good care of your brother and I'll be home before too long

We got the say
We got the fire
We got the love
We got desire
We're gonna fight
Until the break of morning light
'Cause we are warriors, warriors, tonight

I said hey, hey (hey, hey)
I said hey, hey (hey, hey)
I said hey-ey-ey-hey (hey-ey-ey-hey)
Warriors
I said hey, hey (hey, hey)
I said hey, hey (hey, hey)
I said hey-ey-ey-hey (hey-ey-ey-hey)
Warriors

I said oh, oh, oh, oh, oh-oh-oh
Oh, oh, oh, oh, oh-oh-oh
Oh, oh, oh, oh, oh-oh-oh
Oh, oh, oh, oh, oh-oh-oh

We got the strength

We got the fire
We got the love
We got desire
We're gonna fight until the break of morning light
'Cause we are warriors, warriors

We got the say
We got the fire
We got the love
We got desire
We're gonna fight until the break of morning light
'Cause we are warriors, warriors
Warriors, warriors, tonight
