

Good Times Around the Bend

The String Cheese Incident

Gonna pick myself up off the ground
When that old feeling comes around again
I've had enough of feeling down
There's something I've lost that must be found again

chorus:

Sometimes it seems like such a hard life
But there's good times around the bend
The rollercoaster's got to roll to the bottom
If you want to climb to the top again

Driving down the highway in the rain
Look out of my window and see that southbound train
It's headlights still shining in my brain
Stayed right alongside me just to ease my pain
chorus

Well the snow is gone and the springtime's here
And the rivers song is buzzing in my ears
Sit and watch the treetops sway
Here comes a breeze to blow my cares away
chorus
