

My Home Is You

The Strumbellas

I don't know where you are
But I can feel your heartbeat
I don't know where I'm going
But I feel you where I stand

Even though I've seen the world
I don't understand it
I passed the day with thoughts of you
As I crossed another mile

And when the stars don't shine no more
And all the good days have come and gone
Well I just want you to always know

My home is you
My home is you

I'm coming home
Oh oh oh oh
I'm coming home
Oh oh oh oh
I'm coming home
Oh oh oh oh
I'm coming home
Oh oh oh oh

Everyday I sit and dream of coming back to you now
I'm always drunk when you call cause it hurts to be away
I still remember what we said when we were back together
We'll live the best days of our lives as soon as I come home

And when the stars don't shine no more
And all the good days have come and gone
Well I just want you to always know

My home is you
My home is you

I'm coming home
Oh oh oh oh
I'm coming home
Oh oh oh oh
I'm coming home
Oh oh oh oh
I'm coming home
Oh oh oh oh

I don't know where I'm going
I don't know where I am
But I'm here till the end with you
All this time well I've known
That my home's with you

I'm coming home
Oh oh oh oh
I'm coming home
Oh oh oh oh

I'm coming home
Oh oh oh oh
I'm coming home
Oh oh oh oh
And when the stars don't shine no more
And all good days have come and gone
Well I just want you to always know

My home is you
My home is you

And when the stars don't shine no more
And all the good days have come and gone
Well I just want you to always know

My home is you
My home is you

I'm coming home
