

Bad Decisions

The Struts

Feel like I'm barely holding on
Lack of sleep from what I've done
Hotel bathrooms filled with smoke
I wrote this down to help me cope

But it doesn't change the fact
That I've got to live with that
Now I have to deal with my

Bad decisions
Dresses and ribbons
Another one comes and another one goes
Bad decisions
Heroes and villains
They call and I run to another I go

Then I'm left here all by myself alone
I'm left here all by myself alone
With my bad decisions
Oh-oh, oh, oh

I never wanted to turn to clock back so much
This time I really fucked this up
And I hope you'll understand
I'm not usually that kind of man
But it doesn't the fact that I've got to live with that
So I have to deal with my

Bad decisions
Dresses and ribbons
Another one comes and another one goes
Bad decisions
Heroes and villains
They call and I run to another I go

Then I'm left here all by myself alone (Alone)
I'm left here all by myself alone
With my bad decisions
Yeah

How many times are vices gonna read my mind? (How many times)
How many dreams can I burn till I'm out of time?
Oh, oh, yeah

Feel like I'm barely holding on
Lack of sleep from what I've done
Hotel bathrooms filled with smoke
I wrote this down to help me cope

With my bad decisions
Dresses and ribbons
Another one comes and another one goes
Bad decisions
Heroes and villains
They call and I run to another I go

Then I'm left here all by myself alone (Alone)

I'm left here all by myself alone (Alone)
I'm left here all by myself alone (Alone)
With my bad decisions
