Better Love

The Struts

I can see it in your eyes
You're not satisfied at all, you're too hot for someone so cold
You've been holding back those tears
He calls you by another name, you let it slide like it's a game

But inside you ain't laughing, those feelings you're hiding
They led you last night to my door
I still meant what I said when I held you through the night
You deserve a better love and you know that I'm right

Come on baby make your mind up (Mind up)
I know he's trying to keep your mouth shut (Mouth shut)
I see you looking for the right stuff
I could give you better love

Ah, ah, ah, ah, ah-ah, ah
Ah, ah, ah, ah, ah-ah, ah

There's a poison in his smile
That you tasted long ago, now he's got a hold on your world
Tell me how can I ignore
Like you've told me to before but you ain't smiling anymore

And so I've made it my business, it's too hard to witness
He plays your heartstrings out of time
You're so much more than this, I know you feel it when we kiss
Don't expect me to forget ya like you don't exist

Come on baby make your mind up (Mind up)
I know he's trying to keep your mouth shut (Mouth shut)
I see you looking for the right stuff
I could give you better love
Come on baby you should be mine (Be mine)
I know you're sick of all these white lies (White lies)
And he's the reason why you act up
But I could give you better love
I could give you better love

Yeah
Better love
Right about now

You know as long as you feel it, I'd still be your secret
If that's what it takes well there's time
Or we can leave right now, you're stronger than you know
He can try his best to stop you but I won't let you go

Come on baby make your mind up (Mind up)
I know he's trying to keep your mouth shut (Mouth shut)
I see you looking for the right stuff
I could give you better love
Come on baby you should be mine (Be mind)
I know you're sick of all these white lies (White lies)
And he's the reason why you act up
But I could give you better love
I could give you better love

Ah, ah, ah, ah, ah-ah, ah
Ah, ah, ah, ah, ah-ah, ah
Ah, ah, ah, ah, ah-ah, ah
Ah, ah, ah, ah, ah-ah, ah (You know I can give you better love)
Ah, ah, ah, ah, ah-ah, ah (Just say the words)
Ah, ah, ah, ah, ah-ah, ah (Say the words)
Ah, ah, ah, ah, ah-ah, ah
Ah, ah, ah, ah, ah-ah, ah
Ah, ah, ah, ah, ah-ah, ah
