

Can't Sleep

The Struts

She wears
Boots on the beach
And lives upstairs
We no longer speak
Left her roses
Outside the door
And a message
Nailed onto her wall
But it's useless I know
She'll never bother to call

I can't sleep
Can't sleep
Can't sleep
With someone else in this bed
Can't sleep
Can't sleep
Can't sleep
Yeah I'd rather be dead
You heard what I said
Can't sleep

Well I don't feel so good
Cause I need her
Like I never knew I could
Every morning I go to work
I see her
Still wearing my shirt
And she knows I see it
My brains on full alert

I can't sleep
Can't sleep
Can't sleep
With someone else in this bed
Can't sleep (you know I want it)
Can't sleep (I wish I could)
Can't sleep (it's what I want)
Yeah I'd rather be dead
You heard what I said
Can't sleep

I can't sleep (you know I want it)
Can't sleep (I wish I could)
Can't sleep (it's what I want)
With someone else in this bed
Can't sleep (you know I want it)
Can't sleep (I wish I could)
Can't sleep (it's what I want)
Yeah I'd rather be dead
You heard what I said
Can't sleep
