

Can't Stop Talking

The Struts

I made so many mates tonight because I can't stop talking
The doorman only let me inside because I can't stop talking
This is my new best friend
But when the morning comes, I'll never see them again
Oh ma-ma-ma-ma-ma, I can't stop talking

Every night and every day
Everybody listen I got something to say

Oh ma-ma-ma-ma-ma
Hear me out
Oh ma-ma-ma-ma-ma, I can't stop talking

I told a stranger I was in love because I can't stop talking
Asked them if they needed a hug because I can't stop talking
Don't judge, I'm okay
It's the first time that I've been out since my girl ran away
Oh baby ma-ma-ma, I can't stop talking

Oh ma-ma-ma-ma-ma
Hear me out
Oh ma-ma-ma-ma-ma, I can't stop talking
Oh ma-ma-ma-ma-ma
Hear me out
Oh ma-ma-ma-ma-ma, I can't stop talking

I made so many enemies tonight because I can't stop talking
But I hustled my way out of a fight because I can't stop talking
g
Ooooh, oh!

Oh ma-ma-ma-ma-ma
Hear me out
Oh ma-ma-ma-ma-ma, I can't stop talking
Oh ma-ma-ma-ma-ma
Hear me out
Oh ma-ma-ma-ma-ma

Every night and every day
Everybody listen I got something to say
Every night and every day
Everybody listen I got something to say
