

# Freak Like You

The Struts

Bobby built a spaceship in his backyard  
Susan never works for free  
Sammy got a sense for fashion  
He's a lot like you and me  
Lizzie never liked Louisiana  
Tony never took the train  
Ruby's running from the police  
Jenny's in the hall of fame  
Debbie was a saint  
Chelsea ran away  
Ain't we all the same?

Cause I'm a freak like you  
Cause I'm a freak like you  
Never change us  
Young and dangerous  
Mother it's true  
Cause I'm a freak like you  
Yeah, I'm a freak like you  
We're all just fucking pretty nasty, it's cool

Sam is still swinging in the sold house  
Hayley's never given head  
And Johnny keeps jumping on the tightrope  
He really should be dead  
Ooh!  
Amy's too addicted to the TV  
William is wearing drag  
Katie's got a wig she likes to mess up  
And Christopher is clinically mad

And he's a freak like you  
Yeah I'm a freak, me too  
Never change us  
Young and dangerous  
Mother it's true  
Cause I'm a freak like you  
Yeah, I'm a freak like you  
We're all just fucking pretty nasty, it's cool

Life is but a game  
We all sing from the same pages  
Of books you can't judge by the cover  
Cause I'm a freak like you

Cause I'm a freak like you  
Cause I'm a freak like you  
We're all just fucking pretty nasty, it's cool  
Cause I'm a freak like you  
Yeah I'm a freak like you  
Never change us  
Young and dangerous  
By my mother it's true  
Come on baby and sing

Na na na  
Nana na

Na na na no  
By my own mother it's true  
Na na na no  
Na na na no  
We're all just fucking pretty nasty, it's cool  
We're all just fucking pretty nasty, it's cool
