

Matter of Time

The Struts

I don't care who you love, who you want,
Who you kissed, who you fucked,
Who you cared about,
It's alright, yeah.

I can see all the time, all the days,
All the weeks, all the years that I've wanted you,
It's alright, it's alright.

It's so plain to see
You were made for me
It's just a matter of time.
What I feel for you,
You feel it too,
It's just a matter of time.

I just know with the taste of your lips,
You'll be wanting a lot more than this,
It's alright, it's alright.

I don't care if you're out of my league,
I will cater all of your needs,
It's alright, it's alright.

It's so plain to see
You were made for me
It's just a matter of time.
What I feel for you,
You feel it too,
It's just a matter of time.

Cause I know I'm right
Don't try to fight,
You know you're gonna be mine.
So plain to see, so blatantly,
It's just a matter of time.

It's so plain to see
You were made for me,
It's just a matter of time.
What I feel for you,
You feel it too,
It's just a matter of time.

Cause I know I'm right
Don't try to fight,
You know you're gonna be mine.
So plain to see, so blatantly.
It's just a matter of time.

It's so plain to see
You were made for me,
It's just a matter of time.
What I feel for you,
You feel it too,
It's just a matter of time.

Cause I know I'm right
Don't try to fight,
You know you're gonna be mine.
So plain to see, so blatantly,
It's just a matter of time.
