

# Pretty Vicious

The Struts

When you talk and everybody listens  
Then you walk and everybody whispers  
Yeah yeah yeah yeah, you know you got it  
Yeah yeah yeah yeah, you're so hypnotic  
Yeah yeah, dance like everybody's watching

You can be pretty vicious  
I guess that nobody gets you like I do  
I know you too well but I'm under your spell  
'Cause you're pretty pretty pretty  
Yeah you can be pretty vicious  
I know you love it 'cause I see what you do  
Hold on to myself but I'm under your spell  
'Cause you're pretty pretty pretty

Pretty vicious  
You're pretty, you're pretty  
Pretty vicious  
You're pretty, you're pretty  
Pretty vicious

When you talk it's like you're from a vision  
When you walk everybody just stares  
Yeah yeah yeah yeah, you know you got it  
Yeah yeah yeah yeah, you're so hypnotic  
Yeah yeah, dance like everybody's watching

You can be pretty vicious  
I guess that nobody gets you like I do  
I know you too well but I'm under your spell  
'Cause you're pretty pretty pretty  
Yeah you can be pretty vicious  
I know you love it 'cause I see what you do  
Hold on to myself but I'm under your spell  
'Cause you're pretty pretty pretty

Pretty vicious  
You're pretty, you're pretty  
Pretty vicious  
You're pretty, you're pretty  
Pretty vicious

Yeah yeah yeah yeah, you know you got it  
Yeah yeah yeah yeah, you're so hypnotic  
Yeah yeah, dance like everybody's watching  
You can be pretty vicious  
I know you love it 'cause I see what you do  
Hold on to myself but I'm under your spell  
'Cause you're pretty pretty pretty

Yeah you can be pretty vicious  
I know you love it, I see what you do  
Hold on to myself, under your spell  
Pretty  
Yeah you're pretty  
Pretty vicious

Ooh! Yeah!  
Pretty vicious!  
Oh! Yeah! Ooh!
