

## She's So Fine

The Strypes

Well I know a little girl who likes to keep her tail up high,  
You know she's got a weapon and a method to make you cry,  
Because she float like a bee but she sting like a butterfly.

She doesn't like to talk but she likes to dance all night,  
She doesn't like the dark but she likes it when I turn out the  
light,  
Because she float like a bee but she sting like a butterfly.

She's So Fine,  
She's So Fine,  
Yeah my girl's So Fine,  
Yeah my baby's So Fine,  
Because she float like a bee but she sting like a butterfly.
