The Stylistics

I never used to believe in real love, never used to open up
Bottled all my emotions deep inside
Then you came into my life

Like a ray of light, just like you had always been there
Felt so natural, felt so right

You are the only girl I could ever need
A thousand years from now, they'll never find another you and m
e

Debbie, Debbie
Loving you never gets old
I fall deeper every day

I never thought that a girl would look my way
Tried all kinds of outfits, tried something different with my h
air
Even read The Game

All by my lonesome self, 'til you appeared just like an angel
Felt so natural, felt so right

As the years roll by, I fall deeper and deeper in love with you
And you keep holding, holding on too

Debbie, Debbie
Loving you never gets old
Loving you the right way
