

I Got Time on My Hands

The Stylistics

Haven't seen a movie, haven't gone to parties
What's the use of goin' all by myself
Hang around the corner
Feelin' low and lonely, feelin' like a broken toy on a shelf

I got time, time on my hands, lots of time, time on my hands
Nothing but time on my hands
Since you've been gone (Ooh), I got time on my hands
Looking out the window, watching all the people
Watchin' all the happy lovers go by
Can't believe you left me
Can't believe it's over
Everytime I think about you I cry

I got time, time on my hands, lots of time, time on my hands
Nothing but time on my hands
Since you've been gone(ooh), I got time on my hands

Never wanna get up in the morning
Never get enough sleep in the night
Maybe what I did was wrong
But two wrongs, don't make a right

I got time, time on my hands, lots of time, time on my hands
Nothing but time, time on my hands
Since you've been gone (ooh), I got time on my hands
Since you've been gone (ooh), I got time on my hands
Since you've been gone, I got time on my hands
Since you've been gone, I got time on my hands
Since you've been gone, I got time on my hands
