

Is There Something on Your Mind

The Stylistics

Is there something on your mind
That you want to say to me
Are you trying to say goodbye
You don't have to hide
Don't keep it lock up inside

You, you were the best part of me
You were the star in my dream
Yes you (Yes you) you were the one
Yo-u-u-u
Always together as one
Sharing the laughter and fun
Yes you (Yes you) you were the one
But now I feel the vibes
And their coming straight from your heart
It's written all over the wall
So why don't we sit down and talk
If you got

Something on your mind
That you want to say to me
Are you trying to say goodbye
You don't have to hide
Don't keep it lock up inside

We, we make a hack of a team
And until you came on the scene
Yes I (Yes I) was down and out
Free, free so free
With your love I became free
Free to give love openly
But now (But now) ?
Something is bugging you
And though you don't put any words
Still all your thoughts can be heard
So why don't you stop holding in
If you got

Something on your mind
That you want to say to me
Are you trying to say goodbye
You don't have to hide
Don't keep it lock up inside

Is there something on your mind
That you want to say to me
(You want to say, you want to say)
Are you trying to say goodbye
You don't have to hide
Don't keep it lock up inside
Is there something on your mind
That you want to say to me
Are you trying to say goodbye
You don't have to hide
Don't keep it lock up inside
