

# Some Things Never Change

The Stylistics

You're my baby  
My special lady  
You're the one that makes me feel alright  
Girl I think you're out of sight  
I can never stop loving you  
I'll love you girl my whole life through  
I guess

Some things never change  
I've learned to rearrange  
(All my love)  
Some things never change  
I've learned to rearrange  
(My love, I give to you)

I really need you  
I'll always try to please you  
You're so sweet you can't believe  
Girl I think you're so unique  
I've just got to let you know  
I love you girl, I'll never let you go  
You see
