

That Same Old Feeling

The Stylistics

Like they say in the song
Thought that I'd get along
Without you very well
But whatever I do can't forget about you
I'm still under your spell

I get that same old feeling
That crazy same old feeling
I hear your name and I could cry
I thought I lost the feeling
That wanna hold you feeling
But I'm a fool to even try

I was burning both ends
Keep reminding my friends
You were out of my heart
But it doesn't take much at the thought of your touch
I keep falling apart

I get that same old feeling
That crazy same old feeling
I hear your name and I could cry
I thought I lost the feeling
That wanna hold you feeling
But I'm a fool to even try
That same old feeling just won't die

I could cry, I could cry
Everytime you that you go walking by

I thought I lost the feeling
That wanna hold you feeling
But I'm a fool to even try
I get that same old feeling
That crazy same old feeling
I hear your name and...
