

There's No Reason

The Stylistics

You never come to see me
Love's deceiving
You're just leading me on
And I think you know that you're wrong
(Woo woo woo)
I've made a fine conclusion
There's confusion in your heart
But I know love will fade the time right away
Someday

I was blind but now I see
There's no reason this love should not be
You have made a fool out of me
You've been running around on me
(Running running, running all around)
On me (Running, running)

I hear you've found a new love
Quite a true love
Could it be half as strong
As this love I have in my heart
(Woo woo woo)
Someday when you decide to let me love you
Don't come out I'll be there
With a look of love in my eyes for you

I was blind but now how I see
There's no reason this love should not be
You have made a fool out of me
You've been running around on me
(Running running, running all around)
On me (Running, running)

I was blind but now how I see
There's no reason this love should not be
You have made a fool out of me
You've been running around on me
I was blind but now how I see
There's no reason this love should not be
You have made a
