

# You Ought to Be with Me

The Stylistics

Yes I thought that no one could take my place  
What a fool I was  
Now I hope it's not too late to change the pace  
'Cause I'm still in love with you

If you ever thought that I  
Had never really cared  
All I ask is one more chance  
To prove that I'll be there

You ought to be with me  
You ought to be with me  
I know I was wrong but I'm tryin' to start anew

I know that there's been doubts in past things I done  
But what I said is true  
And if you only take the time to hear me out  
I'm still in love with you

So if you ever change your mind  
Then come on home to me  
Don't you know that I'll be there  
Waiting patiently

You ought to be with me  
You ought to be with me  
I know I was wrong but I'm tryin' to start anew
