

# Good Enough

## The Summer Obsession

Touch my body  
Tell me I'll be  
Good enough for you  
I'll be good enough for you  
It's down to this moment  
When we both know what's up  
It's dark in the room except  
The flicker of the T.V. set  
And I've been watching you for all this time  
And you've been waiting 'cause you read my mind  
And I'm trying to get the confidence to give myself to  
you  
Do you feel the way I do?  
Touch my body  
Tell me I'll be  
Good enough for you  
I'll be good enough for you  
We're human aren't we  
Tell me I'll be  
Good enough for you  
Be good enough for you  
This world is always tellin' me  
That you're why out of my league  
With all it's pretty people  
(whooaa)  
Is there somethin' here for me  
And I've been watching you for all this time  
And you've been waiting 'cause you read my mind  
And I'm trying to get the confidence  
To give myself to you  
Do you feel the way I do  
Touch my body  
Tell me I'll be  
  
Good enough for you  
I'll be good enough for you  
We're human aren't we  
Tell me I'll be  
Good enough for you  
Be good enough for you  
And it's down to this moment  
And I feel so inferior  
When you're around I don't know what  
Keeps me runnin' away from you  
It keeps me runnin' away from you  
And I've been watching you for all this time  
And you've been waiting 'cause you read my mind  
And I'm trying to get the confidence to give myself to  
you  
Do you feel the way I do  
Touch my body  
Tell me I'll  
BE!  
Good enough for you  
I'll be good enough for you  
We're human aren't we  
Tell me I'll be

Good enough for you  
Be good enough for you  
(Touch my body tell me I'll be)  
Good enough for you!  
(Good enough for you I'll be good enough for you)  
Good enough for you!  
(We're human aren't we tell me I'll be)  
Good enough for you  
(Good enough for you)  
Good enough  
Good enough for you  
For you  
For you
