

Inside of You

The Summer Obsession

Don't get on your flight.
Let's fuck a little longer.
There you go,
you're looking so, beautiful.
I just wanna be inside of you.
I just wanna be inside of you.
Push me over,
I'm falling under,
This is what we do.
Don't forget all the movies we saw,
and don't forget all the times I admit I was wrong.
Don't forget how we sat and enjoyed the moment,
Don't forget all the packages we said meant more than
anything,
and everything,
Oh!
How we made the earth quake
(the earth quake)

I just wanna be inside of you.
I just wanna be inside of you.
Push me over,
I'm falling under,
This is what we do.
There is nothing else that I can say,
Stay in LA.
If you leave,
Who will be,
Here for me.
and I just wanna be inside of you.
and I just wanna be inside of you.
and I just wanna play.
Push me over,
I'm falling under,
This is what we do.
Push me over,
I'm falling under,
This is what we do.
This is what we do.
