

# Algorithm & Blues (Over & Over)

The Summer Set

(Woah, oh, oh, no)

(Woah, oh, oh, no)

Look what the cat dragged in here to suck out all the oxygen  
You tried to play it cool, now you're jumping on the bandwagon  
Came back around like a boomerang, another song I sang  
You act like you never heard of  
Tick-tock, the clock strikes twelve, a menace to my mental health  
Left me collecting dust like a broken record on the shelf  
Stuck in-between all your greatest hits, but I just can't quit  
Even when I'm on the verge of

First, you ask me to dance (But never too close)  
Wish you gave me the chance (When I needed you most)  
Now we're stuck on repeat like a melody everyone knows  
Around and 'round we go

And I'm trying to get inside of your head  
But you're just a monster hiding under my bed  
Why am I so surprised every time you go and leave me for dead?  
When you do it over and over again

(Woah, oh, oh, no)

Over and over again

(Woah, oh, oh, no)

Over and over again

What's that? You want some more, turn the lights back on the encore  
Sign on the dotted line and you won't get what you bargained for  
Here's fifteen seconds, the price of fame, it's a losing game  
I thought I asked for fifteen minutes  
First, you're up, then you're down, and then when you're down, then you're o  
ut  
But if you get to the top of the mountain, you'll be all they'll talk about  
They say it's better to burn out than fade away, but either way  
You gotta pay to play

And I'm trying to get inside of your head  
But you're just a monster hiding under my bed  
Why am I so surprised every time you go and leave me for dead?  
When you do it over and over again

You stole the show  
That's the way it goes  
But the show must go on  
When it all goes wrong

I'll be trying to get inside of your head  
Even if you're a monster hiding under my bed  
Why am I so surprised every time you go and leave me for dead?  
When you do it over and over and over and over (Fuck it)  
And I'm trying to get inside of your head  
But you're just a monster hiding under my bed  
Why am I so surprised every time you go and leave me for dead? (Leave me for  
dead)  
When you do it over and over again

(Woah, oh, oh, no)  
Over and over again  
(Woah, oh, oh, no)  
Over and over again
