Back Together

The Summer Set

Well, I should've known that I was in for one hell of a year
When I traded in the whiskey for non-alcoholic beer
And moved out of my apartment
Called my parents and I came back home

That's when I learned to appreciate the Arizona stars
And that tomorrow isn't promised if the planet falls apart
So we should be there for each other
Not too stubborn to pick up the phone

'Cause I don't know what happens when we die or we get old
I'm only human and I've made mistakes that I can't remember
With some people I should forget
And that's okay, but if the world is gonna end someday
I'll send a message that says "just in case we don't live forever
Let's get the band back together."

I thought that I would fall in love by now
And make my parents proud
But I'm just another hypocrite who can't figure me out
So let's take it back to basics
'Cause let's face it, I am on my own

I think about how we broke up and get choked up 'cause my ego was in charge
Then I remember that I'm forever just an emo kid at heart
And it's not too late to fix what's broken
Treat our beef like it's Frozen, and let it go

'Cause I don't know what happens when we die or we get old
I'm only human and I've made mistakes that I can't remember
With some people I should forget
And that's okay, but if the world is gonna end someday
I'll send a message that says "just in case we don't live forever
Let's get the band back together."

Any minute now the doors will open, they'll come rushing in
And the die-hards on the barricade won't care how long it's been
They'll just be happy to be here
To be honest with you, so am I

'Cause I don't know what happens when we die or we get old
I'm only human and I've made mistakes that I can't remember
With some people I should forget
And that's okay, but if the world is gonna end someday
I'll send a message that says "just in case we don't live forever
Let's get the band back together."

Just in case we don't live forever
Let's get the band back together
