

## A Heart Like Mine

The Supremes

A heart like mine  
Shouldn't have to be so low  
Shouldn't have to leave you so  
A heart that's true for you like mine is

Ooh... ooh...  
Ooh...

A heart like mine  
Shouldn't have to hurt all alone  
Crying because you are gone  
A heart that's true for you like mine is  
(Like mine is, like mine is)

(Oo-oo) A heart that's true  
(Never) Never, never ever wins  
It seems  
(Ooh) It's always so blue  
From the time that love begins  
It seems...

Ooh... ooh...  
Ooh... ooh...

A heart like mine  
Shouldn't have to be in pain (pain)  
Shouldn't have to, shouldn't have to cry in vain (vain)  
Oh, a heart that's true for you  
Like mine is, like mine is

Oo-oo, shouldn't have to cry in vain  
A heart like mine  
Mm, like mine is  
A heart like mine
