

# Make It With You

The Supremes

Hey, have you ever tried  
Really reaching out for the other side?  
I may be climbing on rainbows  
But baby, here goes

Dreams (Dream) are for those who sleep  
Life (Life) is for us to keep  
And if you're wondering what this all is leading to

I wanna make it with you (Make it with you)  
(I really, really think we could make it, boy)  
I really think that we can make it, boy  
(I really, really think we could make it, boy)

No (No, no), you don't know me well (You don't know me well)  
Every little thing, only time will tell  
If you believe the things that I do  
Then we'll see it through

Life can be short or long  
Love can be right or wrong  
And if I had to choose the one to see me through

I want to make it with you  
(I really, really think we could make it, boy)  
I really think that we can make it, baby (Ooh)

Honey, honey  
Baby, baby, baby

Dreams are for those who sleep  
Life, it's for us to keep  
And if I had to choose the one to see me through

Oh, I'd like to make it with you  
I really think that we can make it (I really, really think we could make it, boy)  
Oh, we can make it, boy (I really, really think we could make it, boy, boy-oy-oy)  
I wanna make it with you (I really, really think we could make it, boy)  
I'd like to make it with you (I really, really think we could make it, boy, boy-oy-oy)  
We can make it, boy (I really, really think we could make it, boy)  
I'd like to make it
