

# This Is Why I Believe in You

The Supremes

This is why I believe in you  
This is why I believe  
The reason I can't leave you, boy  
'Cause I can't lose the need  
There is only one like you

No, no, no

A cup of coffee just won't do

You do without knowing  
What keeps my mind blowing

Ooh, boy, I love you so  
I love you so

This is why I believe in you  
This is why I believe  
Feeling more than I can dream  
Is it really me?  
I'm on the mountain top of pride  
With you tight here by my side

You do without knowing  
What keeps my mind blowing

Ooh, boy, I love you so  
I love you so

This is why

Oh, ohhhhhhhhh

I believe, I believe-----

Well

Wop, wop  
Do-do-do-do, do, do

You know you make me wanna shout  
I believe  
You know you make me wanna shout

Makes me wanna (I believe)

You know you make me wanna shout

Makes me wanna shou-ou-ou-ou-out!

Makes me wanna shout I believe  
Makes me wanna shout I believe  
Makes me wanna shout

Makes me wanna  
I believe  
Makes me wanna

Sing it  
Makes me wanna

Sing it louder  
Makes me wanna  
Sing it  
Makes me wanna

Sing it louder  
I wanna holler  
Sing it  
Oh-ohhhhhhhhhhhhhhhhhhh!
