

Chains

The Sweepings

You got me in chains
You got me in chains for your love
But I wouldn't change
No, I wouldn't change this love
You got me in chains
You got me in chains for your love
But I wouldn't change
No, I wouldn't change this love

Tryna break the chains but the chains only break me
Down
They break me
Down

With her wine-stained lips, you're nothing but trouble
Cold to the touch but you're warm as a devil
Oh I gave you my heart but you won't heal my soul
Tasted the break and I can't get more

You got me in chains
You got me in chains for your love
But I wouldn't change
No, I wouldn't change this love
You got me in chains
You got me in chains for your love
But I wouldn't change
No, I wouldn't change this love

Tryna break the chains but the chains only break me
Down
They break me
Down

Baby tell me why, why you do, do me wrong
Baby tell me why, why you do, do me wrong

You got me in chains
You got me in chains for your love
But I wouldn't change
No, I wouldn't change this love
You got me in chains
You got me in chains for your love
But I wouldn't change
No, I wouldn't change this love

Tryna break the chains but the chains only break me
