

In Too Deep

The Sweepings

Oh oh, I'm in too deep

Brick by brick
The walls are building all around my feet
Consequences fencing in
I'm trapped and begging please

Hush
What is done is done
Don't say a word
Keep the secret from your tongue

Oh, oh, I'm in too deep
Oh, oh, I'm in too deep
Oh, oh, I'm in too deep
What I've done is killing me

Release me, let me start all over
and bury it away
Darkness covers every moment
It's my day to pay

Hush
What is done is done
Don't say a word
Keep the secret from your tongue

Oh, oh, I'm in too deep
Oh, oh, I'm in too deep
Oh, oh, I'm in too deep
What I've done is killing me

Oh, oh, oh, oh

Oh, oh, I'm in too deep
Oh, oh, I'm in too deep
Oh, oh, I'm in too deep
What I've done
Oh, what I've done
Oh, what I've done is killing me
