

## It's A Small World

### The Sweepings

It's a world of laughter, a world of tears  
It's a world of hopes and a world of fears  
There's so much that we share  
That it's time we're aware  
It's a small, small world

There is just one moon and one golden sun  
And a smile means friendship to everyone  
Though the mountains divide  
And the oceans are wide  
It's a small, small...

It's a small world after all  
It's a small world after all  
It's a small world after all  
It's a small, small world

It's a world of laughter, a world of tears  
It's a world of hopes and a world of fears  
There's so much that we share  
That it's time we're aware  
It's a small, small world

It's a small world after all  
It's a small world after all  
It's a small world after all  
It's a small, small world

There's a world of hopes  
Since so much we share...
