

The Wolf

The Sweepings

Ah ah ah
Ah ah ah
Ah ah ah

I knew a wolf, a weary one
Come through the gates with iron tongue
Keep the wolf, keep the wolf at the door
Out of the grey the beast may roam
Hang on the words no harm will come
Hide away, hide away from you

Keep quiet, quiet, quiet, quiet
Stay silent, silent, silent, silent
Keep quiet, quiet, quiet, quiet
Don't make a move

Ah ah ah
Ah ah ah
Ah ah ah

Away from the shadow on the wall
Outside the howl bringing you on
Keep the wolf, keep the wolf at the door
Hide away, hide away from you

Keep quiet, quiet, quiet, quiet
Stay silent, silent, silent, silent
Keep quiet, quiet, quiet, quiet
Don't make a move

Ah ah ah
Ah ah ah
Ah ah ah

When my colors rise, fill the room
I don't know where they gather too
Gleaning what is ours, and has been
It won't be lost again

We won't be quiet, quiet, quiet
Stay silent, silent, silent, silent
We won't be quiet, quiet, quiet
Together we move

We won't be quiet, quiet, quiet
Stay silent, silent, silent, silent
We won't be quiet, quiet, quiet
Together we move

Ah ah ah
Ah ah ah
Ah ah ah
Ah ah ah
Ah ah ah
