I still think it's amazing How much baggage I take in. I used to let things slide. Now I'm sick, it's contagious. Write that shit then erase it I'm on the other side Of enemy lines. So thanks a lot I'm making waves, and you're not. I'm done taking bad advice if that's fine by you. I hate being so well versed. Hard getting to the chorus. Remember that bridge we burned? I still have trouble getting over it. Now I see it so clearly. Everyone who is near me They're showing the simple signs Of the acquaintance kind. It's not like true friends are so hard to find. So thanks a lot I'm making waves, and you're not. I'm done taking bad advice if that's fine by you. Fine by you Fine by you Fine by you Now I can't stand a single word you say. So if the world ends tonight, We're better off that way Now I can't stand a single word you say. So if the world ends tonight, We're better off that way So thanks a lot Cause I'm making waves, and you're not. I'm done taking bad advice if that's fine by you. You talk shit a lot Cause I'm making waves and you're not. I'm done taking bad advice if that's fine by you. Fine by you Fine by you

Fine by...
