Imagination turned to truth  
When I saw you walk in the room  
Your [?] the weak ones  
Your new boyfriend played the groom

In short, I'd like you addressed  
[?] checked out the scene  
You're just a sheep in leopard's clothing  
Sly and hungry at me

(Rah!)  
I'm dangerous (Dangerous)

Baby  
I'm dangerous (Dangerous)  
So dangerous (So dangerous)  
For you

To get your love - the bottom line  
Not about wastin' time  
Scandals, rumours, in the end  
I'm gonna be your new boyfriend

In your eyes I can see  
A certain weakness for me  
Ooh, just one more kiss will confirm the truth  
I'm bad for you

(Rah!)

Lookin' for love  
You know the truth  
I'm bad for you
