```
Heart is beating to the sound
Fever moves my soul
So close I can taste it now
Instincts take control
Get jumpin'
Close your eyes and ride the rhythm
Let it take you home
Get jumpin'
Face the feed and dance to music
Steady as you go
(Jump!)
Woah, woah, woah
Woah, woah, woah
It's the real deal
Psyched and ready for the dare
Feel like playin' rough (Rough!)
Summer soul just, just beware
'Cause I'm serious
Get jumpin'
Close your eyes and ride the rhythm
Let it take you home
Get jumpin'
Face the feed and dance to music
Keep reachin' for your goal
(Go!)
Woah, woah, woah
(Jump!)
(Go!)
Woah, woah, woah
It's the real deal
(Go!)
Woah, woah, woah
Woah, woah, woah
Get! Get! Get! Get!
Jumpin'
Close your eyes and ride the rhythm
Let it take you home
Get jumpin'
Face the feed and dance to music
Keep reachin' for your goal
(Go!)
Get jumpin'
(Jump!)
Get jumpin'
