

I'm About You

The System

I'm all about you, baby
I'm down witcha, baby

Your innocence turned me out
Every minute I need your healing power
My world is spinning, my head is up in the clouds
I'm addicted but I don't want to come down

I just wanna be around you
And I never wanna be without you

Oh, baby, I'm about you
Beginning to end
I'm so crazy 'bout you, darling
Don't change a thing
Remember, I'm about you
I'll sing it again
So that you don't have to wonder
I'm down with you
I'm about you

Heaven sent ya, uh, there's no doubt
You're in my system, I can't get you out
Mystery starts when you call
To share the vision you keep in your crystal ball

But you can be yourself around me
'Cause I love those things, girl, about you

I'm about you
Beginning to end
I'm so crazy 'bout you, darling
Don't change a thing
Remember, I'm about you
I'll sing it again
So that you don't have to wonder
I'm down with you

Oh, baby, I'm about you
Through thick and thin
And you know the truth about it
No mystery
You know, it's all about you
I'll sing it again
So that you don't have to wonder
I'm down till the end with you

I'm down with you, baby

I want you, I need you
Beginning to the end
Heart addiction causes superstition
I want you so badly
I need you thick and thin
I can't live without you
'Cause, baby, I'm all about you

I just wanna stay around you
And I never wanna be without you

Oh, baby, I'm about you
Through thick and thin
And you know the truth about it
No mystery
You know, it's all about you
I'll sing it again
So that you don't have to wonder
I'm down with you

Oh, baby, I'm about you
Beginning to end
I'm so crazy 'bout you, darling
Girl, don't you change a thing
I'll just sing it again

'Cause I love to think about you (About you)
Baby, I do (Baby, I do)

Oh, baby, I'm about you
Beginning to end
I'm just crazy 'bout you, darling
Don't change a thing
You know, it's all about you
I'll sing it again
So that you don't have to wonder
I'm down with you

I'm about you and all the things that you do (sing it again)
You can be yourself around me, no mystery
