You Are In My System (Redux)

The System

She's in my system
She's in my system
She's in my system
She's in my system

Day by day
And night by night
I see you in my mind
It happens all the time

You know, my daydreams stop
But my heart beats on
I can't take it anymore
It's you I live for

Oh, baby
You — are in my system
I just want you to know that
O-oh, you are
You're in my system
Don't you, don't you, don't you know that, baby?

I will keep on pushin', pushin'
Until I get through
My main objective, baby
Is to get to ya

To turn your mind around
I know will take time
But you know I can't wait, no
Because you're on my mind

Oh, baby
You — are in my system
I just want you to know that
O-oh, you are
You're in my system
All I need to survive, baby

You — are in my system, system
Want you to know that
O-oh, yeah, baby
Because you're in my system
I keep on pushin', baby

She's in my system
She's in my system
She's in my system (You're in my soul)
She's in my system

She's in my system (Love's got control)
She's in my system (Just can't get enough)
She's in my system
(Of your loving touch)

It's a romantic vision
Of me and you

Holding hands on Sunday
And Monday, too
There's no doubt in my mind
That I'll be true, baby
You know, I'll take you out
And I'll keep love new

Oh, baby
You — are in my system
I just want you to know that
O-oh, you are
You're in my system

Oh, baby
You — are in my system
You keep my body alive, baby
O-oh
Because you're in my system
Oh, baby

(You're in my system) Only you (In my system)
Are in my system (You're in my system, in my system)
All I need to survive, baby
O-oh (You're in my system, in my system)
You know, you're in my system (You're in my system, in my system)
You got me burnin', burnin', baby

O-oh (You're in my system, in my system)
You are, you're in my system, system (You're in my system, in my system)
Oh, you (You're in my system, in my system) Oh, you
Are in my system (You're in my system, in my system)
Want you to know that, o-oh
