

# Hole in My Heart

The Tea Party

You got your freedom now but who do you serve  
You took for granted what you, you don't deserve  
There's no time left, there's no time left to make amends  
But I love you, I still love you, my sweetest friends

I got a hole in my heart  
I wear my heart on my sleeve  
And I've been taking the fall  
And I'm no stranger at all, no stranger

You pushed and pulled and now it tears your soul  
You're looking back on everything, you've lost control  
There's no time left, there's no time left to make amends  
But I love you, I still love you, my sweetest friend

Save me now  
Save me now from all those things I say  
Save me now  
Save me now there's got to be a better way

Got a hole in my heart  
I wear my heart on my sleeve  
And I've been taking the fall  
And I'm no stranger at all  
I got a hole in my heart  
I wear my heart on my sleeve  
I've been taking the fall  
And I'm no stranger at all

Save me now  
Save me now from all those things I say  
Save me now  
Save me now there's got to be a better way

Save me now, save me now  
Save me now, save me now there's got to be a better way

Got a hole in my heart  
I wear my heart on my sleeve  
And I've been taking the fall  
And I'm no stranger at all  
Got a hole in my heart  
I wear my heart on my sleeve  
I've been taking the fall  
And I'm no stranger at all  
Got a hole in my heart  
I wear my heart on my sleeve  
I've been taking the fall  
I'm no stranger at all  
Got a hole in my heart  
I wear my heart on my sleeve  
I've been taking the fall  
I'm no stranger at all  
No stranger
