

Out on the Tiles

The Tea Party

As I walk down the highway
All I do is sing this song
And a train that's passing my way
Helps the rhythm move along
There is no doubt about the words
They're clear, the voice is strong
It's, oh, so strong

I'm just a simple guy
I live from day to day
A ray of sunshine melts my frown
And blows my blues away
There's nothing more that I could say
But on a day like today
I pass the time away
And I walk a quiet mile with you

All I need from you
Is all your love
All you gotta give to me
Is all your love

Oh-yeah, oh-yeah
Oh-yeah, oh-yeah

I'm so glad I'm living
I'm gonna tell the world I am
I got me a fine woman
And she says that I'm her man
One thing that I know for sure
I'm gonna give her all the loving
Like nobody, nobody
Nobody, nobody can

Standing in the noonday sun
Tryin' to flag a ride
People go and people come
See my rider by my side
It's a total disgrace
But they set the pace
It must be a race
And the best thing I can do is run

All I need from you
Is all your love
All you gotta give to me
Is all your love

Oh-yeah, oh-yeah
Oh-yeah, oh-yeah

All I need from you
Is all your love
All you gotta give to me
Is all your love
All I need from you
Is all your love

All you gotta give to me
Is all your love

Oh-yeah, oh-yeah
Oh-yeah, oh-yeah
