

Use Me

The Teardrop Explodes

This time we go see,
This time can see defeat,
Hey, hey, what's that sound?
It's time to cut me down,
To use me,
Use me,
Use me,
Use me.
Heads around the marble throne,
Heads around the marble throne,
Heads around the marble throne,
Me...I die in flames,
Me...I die in flames,
Use me,
Use me,
Yeahhhohhh,
Use meeee,
Use me.
Came from the sky,
Came from the sky
Came from the sky,
Came from the sky,
Came from the sky,
Waiting clouds go by,
Came from the sky,
Waiting clouds go by,
Came from the sky,
Waiting clouds go by,
Came from the skyyyy,
Use me,
Use meeeee,
Use meeeeeeeeeee,
Ah, Use me,
Oh, Use me
Eh, eh eh,
Gotta blade for you,
I Gotta blade for you,
What went wrong?,
I Gotta blade for you,
What went wrong?,
I Gotta blade for you,
What went wrong?
Gotta blade for you
Gotta blade for you,
Gotta blade for you,
What went wrong?
Mhmmmm,
