

Do the Revelation

The Temperance Movement

I'm now giving up but the ill behavior
The same old wreckage from the same old savior
Turn it around
You got to turn it around

And if you grow on up
You sense every day, yeah
You blow it up
But then the beat goes on and on and on and

I know love is shining
All over me
Salvation got its time here
Before I set you free
Yeah

I'm now giving up but the mass hysteria
Say you know just when you're going
But you don't know where you're coming from

So seek your time now
I row you home and I serenade you
But they don't offer raw power
And do the revelation

I know love is shining
All over me
Salvation got its time here
Before I set you free
I know love is shining
All over me
Salvation got its time here
Before I set you free
Yeah

I know love is shining
All over me
Salvation got its time here
Before I set you free
I know love is shining
All over me
Salvation got its time here
Before I set you free

I know love is shining
All over me
Salvation got its time here
Before I set you free
I know love is shining
All over me
Salvation got its time here
Before I set you free

I know love is shining
All over me
Salvation got its time here
Before I set you free

I know love is shining
