

Awesome

The Temptations

Baby, all I wanna do is make your heart and body feel (awesome)
Let me take you to the pleasure zone
Where we keep it real (it will be awesome)

You get the news in your head
Once again, peace is spread
Spread across the globe, can't stop fighting
There you are in your feelings, too afraid to take my hand
You go all this wrong you come right and

Can only the change the world (one world) one heart at a time
Can't stop at your sane mind, let's make it awesome (awesome baby)
Can only change your life one day at a time (your life)
Come on let's get alright (get it right) let's make it awesome

Baby, all I wanna do is make your heart and body feel (awesome)
(Ooh make you feel alright)
Let me take you to the pleasure zone
Where we keep it real (keep it real) (awesome)

Each day the blessing (to woke me up all night)
Life is short (live it) (so live it up and wild)
Let's not waste precious time
We can make the difference, no
Love is the answer (it's a natural thing)

Can only the change the world (change the world) one heart at a time
Can't stop at your sane mind, let's make it awesome
Can only change your life one day at a time
Come on, let's get alright (get it right) let's make it awesome

Baby, all I wanna do is make your heart and body feel (awesome)
Let me take you to the pleasure zone
Where we keep it real (it will be awesome)

You may know it's good to tell your kids now
Than to say the prayers every night, you know
Oh yeah, oh yeah, yeah
I gotta check out some of these stuff
That they showing on TV just for shock version
I mean where are we headed in the world?
It's a shame some of the stuff that you see on TV
Be on radio and go to the movies

We can only the change the world (change the world) one heart at a time
Can't stop at your sane mind, let's make it awesome (it will be awesome)
Can only change your life one day at a time
Come on, let's get alright, let's make it awesome
(Eh-eh-eh-eh-eh-eh)

Can only the change the world (change the world) one heart at a time
Can't stop at your sane mind, let's make it awesome (make it awesome)
Can only change your life one day at a time
Come on, let's get alright, let's make it awesome (make it baby)

Baby all I wanna do is make your heart and body feel (awesome)
Let me take you to the pleasure zone

Where we keep it real (it will be awesome)

Baby, all I wanna do is make your heart and body feel (awesome)
Let me take you to the pleasure zone
Where we keep it real (yeah, it will be awesome)
