

# Baby It's Me

## The Temptations

If you're looking for a man  
To take care of you, girl that's me  
If you're looking for a man  
To take you shopping baby, girl that's me  
And if you're looking for someone  
To massage your back, girl that's me  
And if you're looking for someone  
To take up the slack, girl that's me  
Ooh

Baby I know you've been hurt in the past (hurt in the past)  
When we are loved we gon' change all that  
Stay with me baby, hand you a seat  
If you're looking for love (then baby, baby, baby)

Baby it's me  
I will always keep you warm  
Baby it's me  
Be your shelter in the storm  
Baby it's me  
When you're feeling down and out  
Baby it's me  
I'll be there to make you smile  
Baby it's me  
When the bills need to be paid  
Baby it's me  
I'll come running with no delay  
Baby it's me  
All the hug just from day to day  
Baby it's me  
I'm just a telephone call away

Now if you're looking for someone  
To grow strong with (baby that's me)  
If you're looking for someone

You know  
I don't know how men can make it in the world  
Without a woman like you  
See you do so many things until I just wanna  
Let you know that it's got to be me to do these things for you  
Because I wouldn't trust no other man to to them  
The way they should be done  
Oh yeah you are all of that
