

# Back To School Again

## The Temptations

Spending my vacation in the summer sun  
Getting lots of action, having lots of fun  
Scoring like a bandit 'til the bubble burst  
Suddenly it got to be September 1st.

Woe is me, all summer long I was happy and free  
Save my soul, the board of education took away my parole  
I gotta go back, back, back to school again  
You won't find me 'til the clock strikes three  
I'm gonna be there 'til then

I gotta go back, back, back to school again  
Whoa, whoa, gotta go, back to school again.

Geometry and history is just a pain  
Biology and chemistry destroys my brain  
Well, don't they know that I deserve a better fate  
I'm really much too young to matriculate

Well, mama please, your child's come down with a fatal disease  
Mama says, come on you lazy bum and get your butt out of bed.

You gotta go back, back, back to school again  
It's bye bye fun, get your homework done  
And better be in by ten

I gotta go back, back, back to school again  
Whoa, whoa, gotta go, back to school again

I got my books together and dragged my feet  
And then I saw this angel as I went down the street  
I said, hey pretty baby, how's about a date?  
She said, I'm going to school and I can't be late

Well, I could see the look in her eyes was saying follow me  
And I was caught  
I thought of playing hooky, but on second thought

I gotta go back, back, back to school again  
You won't find me until the clock strikes three  
I'm gonna be there 'til then

I gotta go back, back, back to school again  
Whoa, whoa, I gotta go  
Back to school again
