

## Bare Back

### The Temptations

Ride it Bare Back  
Get up on it and ride  
Ride it Bare Back  
It's the natural thing to do

Don't waste time foolish dreaming  
Get your life into the main stream  
Before the ... hits the fan  
Life is real, it's a mother  
Hold on strong  
Don't let it throw ya

Ride it Bare Back  
Get up on it and ride  
Ride it Bare Back  
It's the natural thing to do

If the love in your life  
Don't put life in your love  
Everywhere  
There's complications  
Life is real, it's a mother  
Hold on strong  
Don't let it throw ya

Ride it Bare Back  
Get up on it and ride  
Ride it Bare Back  
It's the natural thing to do
