

# Breaking My Back

The Temptations

Ooh, ooh  
(Ooh)

She always treats me right  
Doesn't ask me for a thing  
When I come home at night  
She treats me like a king  
She floats just like an angel  
Leaves me to the bed  
And wraps herself around me  
Place kisses on my head (Yeah)

That's why I'm breaking my back  
To keep her my front (Front)  
I love to get my baby  
What she wants  
I'm breaking my back (Back)  
To keep her my front (Front)  
I love to get my baby  
What she wants  
Oh, yes, I do

Woah, woah, yeah  
Woah, woah, breaking my back  
Breaking my back

To keep her my front  
Breaking my back, yeah  
To keep her my front, yeah

I show up every day  
Work my fingers to the bone  
But what keeps me going  
Is the way I'm loved at home  
Everybody wants her  
She's looking so damn fine  
But I'll always be hers  
She will always be mine (Yeah)

That's why I'm breaking my back  
To keep her my front (Front)  
I love to get my baby  
What she wants  
I'm breaking my back (Back)  
To keep her my front (Front)  
I love to get my baby  
What she wants  
Oh, yes, I do

Breaking my back, breaking my back  
Yeah, yeah (Oh, I'm)  
Breaking my back, breaking my back  
'Cause I love my baby, love my baby, yeah, yeah  
Breaking my back, breaking my back  
Yeah, yeah (I'm, yeah)  
Breaking my back, breaking my back  
'Cause I love my baby, yeah

I know she loves dancin'  
So even when I'm beat  
I take her to the club  
So she can dance off her feet  
Everybody wants her  
'Cause she's looking so damn fine  
But I'm livin' for a love  
And she always will be mine

That's why I'm breaking my back (Breaking my back)  
To keep her my front (Keep her my front)  
I love to get my baby (Baby)  
What she wants (Give you everything you need, yeah)  
I'm breaking my back  
To keep her my front (Oh)  
I love to get my baby (I love it)  
What she wants (What she wants)  
Oh, I do

Woah, woah, yeah (Oh, yeah)  
Woah, woah, breaking my back  
Breaking my back
