

Do It Easy

The Temptations

Seems to be the perfect time
For us to get together
Is it gonna be your place or mine?
Don't worry about the weather
I'll shelter your heart (shelter your heart)
From any kind of storm
And hold you in my arms (hold you in my arms, oh baby)
Just to keep you warm

(Take it nice and easy)
If you're gonna make love to me, baby

Heavy rain is really coming down
(Coming down, coming down, coming down)
I can see it on my window (we can see the rain fall)
And my imagination's running wild
(Got to have you all night long)
While you're relaxing on my pillow

The music sounds so good
And baby, your smell is so nice
What more could I ask for
Than to be with you tonight

(Take it nice and easy)
If you're gonna make love to me
(Take it nice and easy)
Take it easy, baby
'Cause I'm a man with a slow hand

We've been trying to get together for so long
Let's take our time
Treasure each precious moment

Oh (take it nice and easy) Do it easy
Ain't no other place that I would rather be (do it easy) Baby, do it easy
(Take it nice and easy, do it easy)
I'm lovin' you, you're lovin' me (take it nice and easy)
We've got the right, kindly demonstrate (do it easy) Baby, do it easy
Take it nice and easy
If you're gonna make love to me, baby
Take it nice and easy
Do it easy (do it easy) Baby, take it easy
(It's gonna be easy for me)
Gonna be easy for me
(Giving you the love you need)
Giving you all the love you need
Do it, do it, do it, do it, do it, girl (do it easy)
Do it easy
Baby, take your time
'Cause we've got all the night long (do it easy)
You know that I've always wanted to be with you for a long time
(Take it nice and easy) this is your time, baby
If you suggest it, I'd be caught doin' it
Right there, baby
Just treasure each of these precious moments
Being with you is so good
