

# Do You Wanna Go With Me

The Temptations

I think I'm in love, you know  
I don't know what to do  
Love, baby, yeah, ooh, ooh  
That's what it is, I'm in love  
Oh, oh, oh, baby  
Ooh, girl

I've never been in love before  
There's a first time for everything  
My friends trying to discourage me  
But that only brought out my curiosity

I never had to share  
And I will care  
Oh baby (Care, care)  
Oh  
It's just something new I got to get used to  
Oh, yes I do, oh  
But I love the way, baby (Love the way you)  
The way you make me feel (Feel)  
Oh, oh, baby

Do you wanna go with me?  
Come on and follow me  
Oh  
Help me solve this mystery ('ry, girl)  
All for what I long (What I long) to be  
Oh baby, ooh, ooh

I hope you feel the same way I do  
'Cause I've been looking for somebody to love  
Give my heart to  
This whole heart of mine, girl, had been silently crying  
Oh, yes it has, girl

If it's not from the heart  
Then it's got to (It should be) start (Oh, no) start, start (Oh)  
Before we make this here  
I want you to know, baby, I'm for real  
I'm for real, I'm for real, baby  
You love the way I feel (I love the way)  
There's something about the way you make me feel, girl  
Ooh baby, ooh, baby, woo  
Do you wanna go?

(Do you wanna go with me?) Do you wanna go with me?  
Come on (Oh) and follow (Come on, girl) me (Oh)  
Help me solve this mystery (Oh girl)  
All for what I long to be

'Cause I think I love you, girl  
I love you, I love you, I love you  
Ooh, baby, (I love you)  
I love you and I don't know  
I don't know what I'm gonna do, baby  
Yeah, ooh-ooh-ooh. (Ohhh, oh)  
I don't understand what's going through my body, girl

No, I don't understand it, baby, but you know  
You know, you know, you know, you know what to do

Come here, girl  
Yeah, I'm talking to you  
It's been a long time since I had this much feelings for anyone  
Now listen at me now (Oh)  
I'm not your type of guy that sits down and tell you how I really feel  
You see, baby, I've been through these little things before  
But you know, I ain't never had this feeling, oh baby  
And this time, I don't wanna be wrong  
I don't want to be wrong, I don't want to be wrong  
Do you?

(Do you wanna go with me?) Do you wanna go with me?  
(Come on and follow me) Will you go with me, girl?  
Just one thing  
(Help me solve this mystery) Don't fool me, girl  
Don't mess with me, don't mess with my mind  
(All for what I long to be) Oh girl  
I got, I got, I got so much love to give  
Do you wanna go with me?  
(Come on and follow me) If you really mean, if you really mean  
Do you, do you want, girl?  
Help me solve this mystery
