

(Every Time I Turn Around) Back In Love Again

The Temptations

Every time I move I lose
When I look I'm in
And every time I turn around
I'm back in love

I get mixed emotions
It's the way my feelings flow
Excuse me I'm only human
Sometimes I, I just don't know

Every time I move I lose
When I look I'm in
And every time I turn around
I'm back in love again

Do do do do do
Back in love again
Do do do do do
Back in love

When you put your arms around me
I feel so satisfied
I want to love you forever
I just can't, I can't decide

Every time I move I lose
When I look I'm in
And every time I turn around
I'm back in love again

Right back, right back in love again
(Alright)
Seems like, seems like
Back in love again

Now it's your lover
I know it's hard just to be a friend
That's something else I discovered
I guess I just don't ever want it to end

Every time I move I lose
When I look I'm in
And every time I turn around
I'm back in love again

Right back, right back in love again
Seems like, seems like
That I'm back in love again
Right back, right back in love again
(Oh yeah alright)
Seems like, seems like
I'm back in love again

I just don't believe it
Back in love again
(Right back, I'm back)
I can't believe it

(Right back, I'm back)
Every time I turn around
Back in love again
(Right back, I'm back)
I get so many mixed emotions
I'm back in love again
(Right back, I'm back)
Every time I turn around
Oh my love Jones coming down

Back in love again
(Right back, I'm back)
Alright, alright, alright
(Right back, I'm back)
Help me, help me, help me back in love
(I'm back, I'm back)
Oh yeah, back in love again
(Right back, I'm back)
I get so many mixed emotions yes I do
(Right back, I'm back)

(Right back, I'm back)
(Right back, I'm back)
Hear me, hear me, hear me
I'm back in love, back in
(Right back, I'm back)
Back in love again
(Right back, I'm back)
I was once your lover
I was once your lover
And I'm just your friend, yeah
(Right back, I'm back)
Oh, I'm back in love, I'm back in love
I'm back in love, I'm back in love again
(Right back, I'm back)
