

## Finale: Let The Sunshine In

### The Temptations

We starve-look  
At one another short of breath  
Walking proudly in our winter coats  
Wearing smells from laboratories  
Facing-a dying nation  
Of moving paper fantasy  
Listening for the new told lies  
With supreme visions of lonely tunes

Somewhere  
Inside something there is a rush of  
Greatness  
Who knows what stands in front of  
Our lives  
I fashion my future on films in space  
Silence  
Tells me secretly  
Everything  
Everything

Manchester England England  
Manchester England England  
[Eyes look your last]

Across the Atlantic Sea  
[Arms take your last embrace]

And I'm a genius genius  
[And lips oh you the doors of breath]

I believe in God  
[Seal with a righteous kiss]

And I believe that God believes in Claude  
[Seal with a righteous kiss]

That's me, that's me, that's me  
[The rest is silence  
The rest is silence  
The rest is silence]

We starve-look  
At one another Short of breath  
Walking proudly in our winter coats  
Wearing smells from laboratories  
Facing a dying nation  
Of moving paper fantasy  
Listening for the new told lies  
With supreme visions of lonely tunes

Singing  
Our space songs on a spider web sitar  
Life is around you and in you
