

Girl (Why You Wanna Make Me Blue)

The Temptations

I love you girl, with all my heart and soul
I can't understand why you treat me cold
Your every wish, girl, is my command
And that's why I can't seem to understand why

Girl, girl, girl, why you wanna make me blue?
I'm askin' you girl, girl, girl, why you wanna make me blue?

One day you say you love me too
The next day you tell me that we are through
My love for you is just a game
But each time we play, girl, my heart feels the pain

Girl, girl, girl, why you wanna make me blue?
Oh, girl, girl, girl, why you wanna make me blue, so blue?

Girl, girl, girl, why you wanna make me blue?
Oh girl, oh girl, oh girl, tell me why can't you be true?

The way you treat me it just isn't fair
You make it so plain you just don't care
You have a ball around my time
Sleepless nights are getting me tired

Girl, girl, girl, why you wanna make me blue?
I'm askin' you girl, girl, girl, why you wanna make me blue, ba
by?
Girl, girl, girl, why you wanna make me blue?
