

Hold Me

The Temptations

Baby, I'm tired
I just wanna lay back
Come here
Yeah, baby, come here and just hold me for a while
Ah man, it's been a long, long day
Couldn't wait to get back here to you
Hold me, baby

Hold me
Hold me
Hold me
Baby, hold me

We don't wanna mess around with emotions
'Cause you know emotions, girl, can easily be lost (Oh yeah)
But I just can't help myself, I'm just so in love with you
I want you, I need you
Believe me that my love is true, yeah

Hold me (Just hold and squeeze me tight, if you just)
Hold me (It'll make everything alright, if you just)
Hold me (I love the way you feel, if you just)
Hold me (I'll always be for real, sugar)

Here we are together
Just tryin' to figure out which way to go
My heart said "yes" but mind said "no"
There's something that's deep down inside
Just makes me want you more, if you just

Hold me
Hold me (Yeah, yeah, ooh)
Hold me (I love the way you feel, you can)
Hold me

I've been through so many changes
(You know, only once in a lifetime)
And I need someone, someone to call my own
(Do you find that very special woman)
Call my own
(And when you do, you'll never, you'll never wanna let go)
True love is so very hard to find
(Because she becomes a once in a lifetime find)
I'd never let go if I could find someone to call my own

Hold me, baby, ooh ooh

Hold me
Hold me

You're loving me, I'm loving you
What can I say? What can I do?
I don't know what I could say or do
I don't know what I can say, what can I do?
Come hold me tight, never let go
Baby, tonight, I want you more
Can't you tell that I need, I need, need, need you

Hold me
Let me park my gun into your holster
Come closer, hold me
Hold me
Holding you is like a dream
I don't wanna wake up
Hold me
Hold me
Hold me
Hold me
Baby, hold me
