

How Do You Spell Love

The Temptations

Hoo!

I just met a woman (Woman)
Who's as fine as she can be
She told me something (Something)
Don't believe in all you see
When it comes to who lovin'
It's a matter of the heart
When emotions get in the way
That's when logic begins to stray
Oh, oh

How do you spell love? (Tell me, how?)
How do you spell L.O.V.E? (I wanna know, I wanna know)
How do you spell love? (I spell it L.O.V.E, girl)
Rainbow stars and touch-of-Venus love
Love

Love comes in different sizes (Yeah)
Small, medium, and large if you're trying
Oh, girl, there's no excuse for us not to be together
We endure any kind of weather, baby
Oh, infatuation's stimulating adulation
What a beautiful thing that we're in
You got them beat by a quantum leap, girl (Girl)
You're one (You're one) of a kind (Of a kind)
And that's so hard to find (Hoo!)

How do you spell love? (I spell it L.O.V.E, girl)
How do you spell L.O.V.E? (L.O.V.E, girl)
How do you spell love? (I spell it L.O.V.E, girl)
Rainbow stars and touch-of-Venus love
Well

(L) Love is all you need, ah
(O) Over and over ain't ever enough
(V) We will always be victorious in love
(E) Everlasting, like the morning sunrise

How do you spell, spell, spell, spell... (Uh)
How do you spell, spell, spell, spell...
Oh, somebody tell me how

How do you spell love? (I treat her like a lady)
How do you spell L.O.V.E? (She's my girl, yeah)
How do you spell love? (It was just my imagination)
Rainbow stars and touch-of-
Venus love (She got me, she got me, she got me on cloud nine, yeah)

How do you spell love? (I spell it L.O.V.E, girl) (I wanna know, baby)
How do you spell L.O.V.E? (L.O.V.E)
How do you spell love? (Oh, I spell it L.O.V.E, girl)
Rainbow stars and touch-of-
Venus love (She got me, she got me on cloud nine, yeah)

How do you spell love? (I spell it L.O.V.E, girl) (I wanna know, baby)
How do you spell L.O.V.E? (L.O.V.E)

How do you spell love? (I spell it L.O.V.E, girl)
Rainbow stars and touch-of-Venus love (Hey)
